The Honorable Robert Murphy  
Deputy Under Secretary of State  
Department of State  
Washington, D. C.

Dear Bob:

I enclose a copy of a letter I have received from Bill Benton, which is self explanatory.

In reply, I told him that the question of travel to Communist China was a matter within the discretion of the State Department, and suggested that he speak to someone there at the policy level. In reply I received the attached telegram from him.

Would you be willing to see him yourself, or if not, whom would you suggest that he see in the Department?

Sincerely,

/S/

Allen W. Dulles
